

Skincare Special Edition

Looking after your skin has never been more important after months of lockdown and the colder winter weather.

As we start to embrace the outdoors and socialising once more, now is the time to reactivate a proper skincare routine every day, so you will feel radiant and refreshed for the summer months ahead!

Our NEW skincare brands, Caudalie, Bioderma and Institut Esthederm, will all be available in store this month, alongside perennial favourites, La Roche Posay, Vichy and popular L'Oreal brands. Our helpful team will be able to advise on the range best suited for your individual skin type, bearing in mind age, lifestyle and any concerns you may have.

To keep your skin clear and healthy, after cleansing and toning always use the correct moisturiser for your skin type for protection against the elements. Look for moisturisers with SP protection for added benefit and defence against sun damage.

In addition to our new and current skincare ranges, we also offer topical sun creams and lotions for before and after sun exposure. Make sure you have sun protection to hand through the summer months and don't forget to discard any older creams which have reached their use by dates.

Visit us in store for more information and to browse our fabulous new brands!

OPEN 6 DAYS A WEEK Monday - Friday: 9am - 6pm, Saturday: 9am - 1pm
