

Recognition for Tuffour Group's Reavley Chemist PLUS Giving Back to the Community

Chemist of the Year Award 2021

One of our Tuffour Group, Reavley Chemist in Burford, is delighted to have been awarded Global Health & Pharma's sixth annual Chemist of the Year 2021 award for Oxfordshire! After serving the local community for over four centuries it is wonderful for our iconic pharmacy to be given recognition as we embrace modern advances in pharmaceuticals and actively participate in supporting ongoing efforts to combat the global pandemic.

Supporting Our Community

Not content with serving locals and visitors in our shops and online, we believe in extending our support to help charitable and local organisations with their invaluable work and activities which benefit the communities where we trade.

We recently sponsored the Oxfordshire Windrush Valley Flower Show with Virgin Hot Air Balloon Flight vouchers for their star raffle prize, helping to raise more funds this year (despite the challenge of lockdowns and unreliable weather) than ever before! A wonderful traditional village fête complete with the Yarnton Band, classic cars, go cart race and dog show, the event supports four local villages with community projects.

In addition, we recently sponsored a drinks event for the new Burford Archive, an important project ensuring the preservation of historical records and documentation of local history for future generations.

As our pharmacies remain key businesses within local communities, we will continue to support local charities and initiatives as our way of giving something back to the people we are proud to serve.
