

Get Set for a Healthy Year Ahead!

Now that the New Year celebrations are far behind us, it feels good to be getting back to normal planning projects, holidays, personal goals or simply how we are going to manage the challenges in the year ahead.

Always at your side, Oakley Pharmacy is on hand to provide help and advice with all your medicinal needs, often being the first step to discuss any health concerns and saving the need for a GP appointment.

Our fully trained pharmacists are able to prescribe medicines as well as offer over the counter treatments and we now deliver FREE to most local areas.

Travel Clinic + Yellow Fever Centre

Book an appointment at our Travel Clinic to discuss requisite inoculations including Yellow Fever jabs and recommended preventative medicine for diseases such as malaria prior to going on holiday to ensure you have a memorable trip for the right reasons!

Flu & Covid Vaccinations

It is not too late to book your winter flu jab and avoid the misery of influenza - visit the NHS website to book your appointment (free for people aged 50 or over, pregnant women and those with long term medical issues). We also offer Covid booster vaccinations - if you have not yet had your booster but have been notified that you are eligible, please book an appointment using the NHS website and select Oakley Pharmacy as the location. The autumn booster vaccination is also available for pregnant women, key NHS workers and for those with certain medical conditions - just go online to NHS to check if you are eligible.

Start your year as you mean to go on, taking advantage of the preventative medicinal aid available for a healthy year ahead!

OPEN 6 DAYS A WEEK Monday - Friday: 9am - 6pm, Saturday: 9am - 1pm
